

### Declaration of conformity

We hereby declare that all products of Techno-Service S. A., TS PCB meet the following guidelines:

- ROHS Directive (2011/65/EU); (2015/863/EU)
- WEEE Directive (2012/19/EU);
- ELV Directive (2000/53/EU).

All materials used in manufacturing process of components produced by Techno-Service SA, TS PCB comply with the 2011/65/EU with amendments 2015/863/EU concerning the Restriction of Hazardous Substances (RoHS) for electrical and electronic equipment.

According to "Regulation (EC) No 1907/2006 of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and establishing a European Chemicals Agency" we announce that Techno-Service SA, TS PCB:

- participates in the supply chain as downstream user,
- PCBs produced by TS PCB comply with the current REACH 211 SVHC directive with the exception of:  
2-Methyl-1 - [(4-methylthio) phenyl] -2-morpholinopropan-1-one (CAS-No. 71868-10-5) as photoinitiator in solder resists and vias fillers from Lackwerke Peters GmbH & Co. KG. The supplier confirms that no photoinitiator is released after the assembly operation.
- our printed circuits boards are articles – they do not have a product card.
